//biography mauricedowning

Maurice Downing, singer, songwriter, preacher, worship leader, musician and entrepreneur, is a native of Lakeland, FL. Since the age of 10, Maurice has ministered in churches, conferences, revivals and the like. He began playing the piano at age 4 and since then he has become a sought after vessel who has yielded himself to the cause of Christ.

He is a graduate of Bethune-Cookman University, where he was apart of the renown B-CU Concert Chorale, Gamma Beta Chi National Service Fraternity, Inc., along with other civic and social organizations. To date God has tremendously blessed Maurice to be an extraordinary songwriter. His repertoire extends far beyond his time and has been noticed by notable figures in the music industry across the country with the release of his debut album *TRIUMPH*, June 2012.

Maurice's abilities and creativity have afforded him the opportunity to share the stage with such artists as Trent Cory, Lace Taylor, VaShawn Mitchell, Jonathan Nelson, Mali Music, Blanche McAllister, Tasha Cobbs, Hezekiah Walker, his spiritual father Bishop Derek Triplett, along with credits to his name with the release of B. Chase Williams & Shabach's "Grace", performed by Maranda Curtis, written by Maurice and other releases to come. His humility and excellence in ministry has also afforded him the honor of being noted as an *Artist to Watch* by the *2014 Gospel Music Industry Round-Up*. His latest single, *Know You* will be available Good Friday, April 10, 2020 and his sophomore project, *Live on Purpose* is set to be released later this year.

Maurice has served several ministries in several capacities including, Minister of Music, Assistant Minister of Music, Worship Leader, Director of Branding + Marketing and Associate Minister. He continues to serve under the leadership of Pastor John Hannah and New Life Southeast.

Maurice now resides in Chicago, IL, serving as a College Counselor for Johnson College Prep of Noble Charter Schools, Inc., assisting high school seniors and families with post-secondary needs and decisions. He also serves as the school's Director of Branding, keeping the brand of JCP ever evolving and cutting-edge. This passion has afforded him the opportunity to be a well sought after entrepreneur through his self-owned branding and marketing firm, *MoDesignz Solutions*. He's a firm believer of the words of the late Dr. Myles Munroe: "The tragedy of life is not death, but a life without purpose." #LiveonPurpose
